## SAFETY DATA SHEET for Foaming / Whipped Bath Butter/ Soap Base

(GHS Compliance)

Date of Revision: 24<sup>th</sup> June 2024

### 1. IDENTIFICATION OF MIXTURE/SUBSTANCE AND OF SUPPLIER

**Product Name :** Foaming Bath Butter Base

**Product Code :** FBB - 001

**Recommended Use :** Material for personal care products

**Supplier :** Renascent Bath & Body - Clifton Springs, Victoria, Australia

**Emergency Telephone Number :** 000 for emergencies or Poisons Information Centre on **13 11 26**.  
You can call 24 hours a day from anywhere in Australia.

### 2. HAZARD(S) IDENTIFICATION

Non-hazardous

**Hazard Statement(s) :** Not applicable

**Precautionary :** If in eyes: Rinse cautiously with water for several minutes.

**Statements:** Remove contact lenses if present to ease the rinsing. : If skin irritation occurs: Get medical advice / attention.

### 3. COMPOSITION / INFORMATION ON INGREDIENTS

**Chemical Characterization** : Mixtures

**Description** : Mixture of substances listed below with non-hazardous condition.

| Chemical Name (INCI Name) | CAS Number | Percentage (%) |
|---------------------------|------------|----------------|
| Glycerin                  | 56-81-5    | 20 – 40        |
| Aqua                      | 7732-18-5  | 20 – 40        |
| Sodium Cocoyl Isethionate | 61789-32-0 | 15 – 30        |
| Cocamidopropyl Betaine    | 97862-59-4 | 5 – 15         |
| Sorbitol                  | 50-70-4    | 5 – 15         |
| Phenoxyethanol            | 6132-04-3  | < 5            |

\* The concentrations specified are subjected to batch-to batch variation in the specific range.

### 4. FIRST-AID MEASURES

#### First Aid Instructions

**Inhalation:** No relevant information available.

**Skin contact:** If irritation occurs, seek medical attention.

**Eye contact:** Rinse opened eyes for several minutes under running water. Then, seek medical attention.

**Ingestion:** Drink water or milk to dilute. Do not induce vomiting because this may cause aspiration. Seek medical advice.

#### Information for Doctor

**Most Important Symptoms or Effects (Acute and Delayed):** No relevant information available.

**Recommendations for Immediate Medical Care and Special Treatment:** No relevant information available

## 5. FIRE-FIGHTING MEASURES

**Suitable Fire Extinguishing Media:** CO<sub>2</sub>, extinguishing powder, water spray.  
Fight large fires with water spray and alcohol resistant foam.

**Specific Hazards Arising from the Mixture:** No relevant information available.

**Precautions for Firefighters:** As in any fire, wear self-contained breathing apparatus and protective clothing.

## 6. ACCIDENTAL RELEASE MEASURE

**Personal Precautions, Protective Equipment and Emergency Procedures:** Avoid contact with eyes. Wear suitable gloves, appropriate clothing and slip proof shoes.

**Methods for Containment and Cleaning Up:** Place into labelled drums for disposal at approved sites. Small spillage may be washed away with water.

## 7. HANDLING AND STORAGE

**Precautions for Safe Handling:** Avoid contact with eyes. Wear suitable gloves, appropriate clothing and slip proof shoes.

**Conditions for Safe Storage:**

Keep away from heat, sparks and open flame. Protect from freezing and direct sunlight.

## 8. EXPOSURE CONTROLS / PERSONAL PROTECTION

**Exposure Limits :** Not applicable

**Engineering Control :** Not applicable

**Eyes/Face Protection:** Anti-splash goggle, face shield or eyewear complying with an approved standard should be worn if risk assessment indicates eye contact is possible

**Hand Protection:** Chemical resistant, impervious gloves complying with approved standard should be worn if risk assessment indicates skin contact is possible.

**Personal Protective Measures**

**Other Skin and Body Protection:** Apron or other appropriate clothing should be worn if skin contact is possible.

## 9. PHYSICAL AND CHEMICAL PROPERTIES

**Appearance (Physical State and Colour)** : Off-White Solid at 30°C

**Odour** : Neutral

**pH at 30°C** : 5.0 – 6.0 (1% in water)

**Boiling Point / Boiling Range** : Not relevant

**Melting Point / Melting Range** : Not relevant

**Flammability (Solid / Gas)** : Not flammable

**Solubility in Water** : Miscible

**Reactivity** : No relevant information available.

**Chemical Stability** : Stable under recommended storage conditions stated in section 7.

**Condition and Materials to Avoid** : Oxidizing or reducing agents. Strong acids and alkali.

## 11. TOXICOLOGICAL INFORMATION

**Inhalation** : Not applicable

**Ingestion** : May cause vomiting if large quantity is ingested.

**Skin Contact** : Prolonged contact may cause irritation.

**Eye Contact** : Prolonged contact may cause irritation.

## 12. ECOLOGICAL INFORMATION

**Toxicity Data** : No relevant information available

**Persistence and Degradability** : No relevant information available

**Bioaccumulation Potential** : No relevant information available

**Mobility in Soil** : No relevant information available

**Other Adverse Effects** : No relevant information available

### **13. DISPOSAL CONSIDERATIONS**

Recycling of waste is recommended. Dispose according to local and national regulations. Consult the relevant authority for waste disposal guidelines.

### **14. TRANSPORT INFORMATION**

The product is not dangerous for shipping and transportation.

**UN Number** : Not applicable

**Transport Hazard Class(es)** : Not applicable

**Environmental Hazards** : No relevant information available

### **15. REGULATORY INFORMATION**

Not applicable

### **16. OTHER INFORMATION**

All information, recommendations, and systems appearing in this publication concerning this product are based upon tests and data believed to be reliable. Nothing herein is to be construed as a representation or a warranty, express or implied, as to any specific property, quantity, use of condition of this product. Since the actual use by others is beyond the control of supplier and its agent, it is the responsibility of the user to determine the applicability of such information and recommendations, and the suitability of any products for their own particular purpose.
